

FROM THE PRESIDENT

Good Morning Members

The Queensland Government has announced that it will be issuing a Public Health Direction, mandating that any staff, members or any Queenslanders involved in the clubs' industry must be fully vaccinated in order to attend the Rowes Bay Golf Club. This means, by law, that after the 17th of December 2021 the Club cannot allow you to use the club facilities unless you have received both of your vaccinations against COVID-19 (or subsequent variants) and are fully vaccinated.

You are required to check in using the **Check in QLD app** every time you attend the club regardless of if you are on a timesheet or not. If you do not have a device to check in, we will check you in manually.

From the 17th December 2021 you also must have the correct documents proving you are double vaccinated. You will need to bring this with you every time you attend RBGC.

If you do not have your vaccination documents to prove you are double vaccinated, you will be asked to leave.

The club may ask any member to show their vaccination status at any time. If you are unable to show evidence of your vaccination status when asked, you will be asked to leave the club immediately. If this occurs, you will not be able to attend the Rowes Bay Golf Club until you can provide vaccination compliance.

In accordance with Rowes Bay Golf Clubs duty to provide and maintain a workplace that is free of known hazards, we are adopting this policy to safeguard the health of our employees and their families, our members and their guests and the community at large from infectious diseases that may be reduced by vaccinations.

We ask that all members and guests help our staff implement these changes without resistance. The Management Committee will not tolerate members taking their disapproval out on our staff.

We will advise you, our members, on any changing circumstances regarding the above as we all tread through this new world we live in.

Darren Morrison

President, Rowes Bay Golf Club Inc.
